

CMCL Bulletin No 4 Minutes of Meetings

A few months ago we decided to put the minutes of our CMCL meetings on the website, so that all shareholders who are online could download, and read them, if they wished. This has now been set up on the website, and all the minutes since the beginning of 2015 have been added.

To access the minutes log on to <http://crambeckvillage.com/> , click on “About the Village”, run the cursor down the drop box to “Management Company”, and the “CMC Minutes” tab appears on the right. Click on this, and the download page comes on.

To access the minutes, you need to enter a password. This is to ensure, as far as possible, that only shareholders can download the minutes. This only has to be done the first time you try to download. The password is available to shareholders on request. Please keep this confidential. The list of minutes is then displayed, and you can download any of them by clicking the “download” button.

Those shareholders who are not online can also see the minutes, if they want to. Ideally, to keep costs to a minimum, you could look at the minutes online at your neighbour's/friend's house, but if this is not possible, please drop a note at one of our addresses, and we will arrange a printed copy for you.

With best wishes
